Castle Block, Snow Vineyard

GRAPE VARIETIES

Proprietary Blend

ABV

12.6%

SAUVAGE SPECTRUM

676 38 ¼ Rd

Palisade, CO 81526

TASTING NOTES

Hot pink watermelon hues ignite the wildly attractive aesthetic. Approachable and smooth with playful beading bubbles. Light in body and exhibiting delicate aromatics of bubblegum and citrus blossom. Vivid flavors of white cherry, raspberry, and a striking, lingering lime finish play off the vibrant acidity balanced with a touch of residual sugar (8.7g/L).

WINEGROWING

Grown with a focus on sustainability. These grapes are farmed on alluvial soils mixed with larger volcanic strata. A properly managed, umbrella like canopy allows for just the right air flow and dappled sunlight onto the clusters to achieve maximum quality. The soils of the vineyard site enhances the expression of character for each variety and lends to the uniqueness of the wine. Picked at the perfect balance for ripeness and acidity.

WINEMAKING

Spontaneously co-fermented at a low temperature in stainless steel for a couple brix depletion. Soon after, our house yeast culture is pitched to maintain consistency and dominate the fermentation. The wine was aged undisturbed on the lees until filtration. Minimal sulfites added for shelf stability.
