TASTING NOTES

A lush, full bodied texture featuring robust, ripe black and blue fruits, charred vanilla, and a kick of heat from aging in various Colorado Bourbon barrels. A collaboration project aimed at spotlighting small distilleries in our region. Using freshly emptied barrels from Peach Street Distillers in Palisade, Deerhammer Distillery in Buena Vista, 10th Mountain Whiskey & Spirits Co. In Vail, and Storm King Distilling Co. In Montrose.

WINEGROWING

Grown with a focus on sustainability. These grapes are farmed on alluvial soils mixed with larger volcanic strata. A properly managed, umbrella like canopy allows for just the right air flow and dappled sunlight onto the clusters to achieve maximum quality. The soils of the vineyard site enhances the expression of character for each variety and lends to the uniqueness of the wine.

WINEMAKING

Resorting to a fruit forward bourbon laced red wine blend with low tannins. Allowing the complexity of each unique barrel to shine, the wine was aged for just

under 3 months adding independent
nuances to the greater composition of
the wine. Bone dry with no added sugar.
